Sept 16.

Took a walk yesterday evening up around Columbia and saw an magnificent looking dome 'smashed' down in among some apartment houses. Asked what it was and was told it was the Cathedral. 10 yrs ago there were no buildings in this locality & now Julia says N.Y. city goes North for at least 5 miles beyond us. Isn't it wonderful? Haven't been in the Cathedral yet but I expect to go sun.

from your friend, Catherine.
